

JASPER COURIER.

No fights or foot races in town this week. Locals scarce.

The railroad engineers on the R. & N. C. R. R. are expected to finish their surveys this week, and begin making estimates of work next week.

New potatoes are worth in this town \$1 per bushel; apples 40 cents; peaches 75 cents; onions \$1; watermelons from 10 to 50 cents apiece, and green corn 10 cents a dozen.

HORSE STOLEN.—On last Saturday night a very good horse was stolen from the stable of Dr. E. A. Glezen, a little below Ireland, in this township, between 11 o'clock and daylight. He was tracked to near what is known as the Huffs settlement, on the border of Perry county, where all trace of him was lost. The Dr. offers \$100 reward for horse and thief.

AGRICULTURAL MACHINERY.—Our farmer readers will do well when they come to Jasper, to examine the agricultural machinery of Mr. S. Kuebler. He now has some superior McSherry Grain Drills on hand, which will be a valuable addition to the farming implements of any farmer who wishes to raise wheat properly and profitably, besides a considerable stock of other machinery of the most approved kinds.

REMOVED.—Jos. Troxler has taken possession of his new building opposite the Post Office, and now that he has more room is more fully prepared to furnish his customers with just what they want. His building is a neat two story house, and makes quite an addition to that part of town, reflecting credit upon its owner. If you want a tip top article in the harness or saddlery line call on Joe Troxler, and you are sure to get it.

The Town Trustees are putting in new plank on the Newton street sewer this week. If they will employ an engineer and have the grade of the town established, and then a good stone sewer built according to the grade—which will have to be made some time—they will save money. Besides this would enable those who contemplate building to build in accordance with a correct grade. Come, town dads, wake up to the importance of your positions, and let us begin to prepare to be like a modern civilized town.

FATAL ACCIDENT.—On last Friday Mr. John Geil was driving a two horse team and wagon with George Geil and wife in it to St. Anthony, in Hall township. When just at the edge of the town, on the brow of a large hill, the wagon ran on something and overturned, throwing all of them out, severely spraining the arms of Mr. George Geil and his wife, and injuring John Geil so that he died shortly afterwards.

It is thought that the overturning of the wagon frightened the horses, as they ran down the hill and stopped. Mr. John Geil was driving, and had fastened the lines to his wrist, so that when the horses ran he was dragged after them. Had it not been for this it is thought he would not have been seriously injured.

The Living Rhinoceros to be Here. Sheldensburger's Mammoth European Menagerie and Circus, which is to exhibit at Jasper, August 5th, is accompanied by a monster living Rhinoceros, or Unicorn of Holy Writ, and as he is the largest specimen known to naturalists, a brief history of him may not prove uninteresting. This huge beast weighs 8,000 pounds—2,000 pounds more than the weight given by Goodrich, the naturalist, in his Illustrated Natural History. Of his age, nothing is known, but from his immense and matured proportions, it is supposed that he is over fifty years of age. Still, this may be very far out of the way. He was captured in the jungles of India, after a terrific struggle, which cost the lives of three native hunters, a horse, and a large male elephant, on the 12th of March, 1870, and landed in New York on the first day of March, 1871. The unicorn has attained such notoriety, from the fact that it is claimed by many Biblical scholars that it is the animal mentioned in the Book of Job to exemplify in his prodigious form the supreme power of the Almighty. The one coming to Jasper, we are informed, when first placed in his enormous den, in the city of Philadelphia, tore (as if they were so many straws) the iron bars from out his cage, thus carrying out Biblical quotation that he esteemeth brass as straw and iron as rotten wood. The hide of the rhinoceros, it is said, cannot be penetrated by a common musket ball. He feeds in his native jungles on short fern leaves, stunted grass, etc. When in captivity, on hay, oats and potatoes. We are informed that the one in question daily consumes 500 weight of hay, five bushels of oats and two bushels of potatoes.

He is passionately fond of water, and drinks fifty large buckets of it daily. In front of his den will be found a gentleman who at all times will impart any information relative to this Leviathan. He can be seen without extra charge in conjunction with the colossal circus and menagerie with which he is exhibited.

CONCENTRATED EXTRACT OF

BUCHU!

COMBINED WITH

Bromide of Potassium.

PURCHASE A BOTTLE AND ARECUPLET

Read Directions.

BUCHU is a STIMULANT, and of itself may fail to effect a cure, but Buchu, when scientifically combined with Bromide of Potassium and other ingredients, produces a specific effect, and causes a healthy action, thus increasing the powers of digestion, allaying irritation, reducing all unnatural swellings, stopping hemorrhages, and causing the regular and normal action of the human body to be greater than the waste, thus preventing decomposition and decay, and gives nourishment, health and vigor to the system.

My BUCHU is good for all diseases arising from excess, such as weakness and Pain in the Back and Legs, Trembling in the limbs, the Heart, Weak Stomach, Palpit. Contention, Dryness of the Skin, Scrofula, Syphilis, in its many forms, Ulcers, and Tumors.

If your system is affected by any of the above symptoms and diseases, relief is at hand. Get a bottle of my Buchu and Bromide of Potassium at once and you may rely on being cured.

I know just what I say. My record as a Compounder of Medicine is second to none in the Southwest.

Twenty-five or thirty years ago, as my fellow-citizens know full well, found behind the prescription counter in the city in which I now dwell, I have cured more people of various diseases than all the physicians in Louisville put together. Undoubtedly, for every single patient that any Louisville physician has had a hundred, I am no upstart of yesterday. My Medicine is a success—a great success. Louisville is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here, and another has been tried by copying after me here in Louisville, to compete with me, but one after another, their guns have been silenced.

My Medicine is good and answers the purpose—that is the secret of my success. My reputation as a compounder of medicine is fully established.

I believe my Buchu and Bromide of Potassium is the best article now in the market for the cure of all diseases of the urinary or genito-urinary organs, such as Stricture, Incontinence, Irritability of the Bladder and Urethra, Inflammation of the Pelvis of the Kidney, and all other diseases.

By a dollar bottle and be cured. Use as per directions in all cases.

MANUFACTURER AND VENDOR OF THE CELEBRATED.

SMITH'S

TONIC SYRUP!

FOR THE CURE OF

AGUE AND FEVER, OR

CHILLS AND FEVER.

The proprietor of this celebrated medicine has by his claims for its superiority over all remedies for the cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and South Western country to bear him testimony to the truth of his claims. He does not exaggerate. He will tell you, if the directions are strictly followed out, in a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two, until the system is fully re-established. Especially in difficult and long-standing cases. Locally, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY PILLS will be sufficient.

By a dollar bottle and be cured. Use as per directions in all cases.

Worm Destroyer

EXTRACT OF A LETTER FROM GEORGIA.

VILLAGE, WALKER CO., GA. June 25, 1871.

Dr. John Bull.—Dear Sir: I have recently given your "Worm Destroyer" several trials and find it to be a very efficacious. It has not failed in a single instance to have the children cured of worms, and I have a pretty large country practice, and have daily use for some article of the kind. I am, sir, most respectfully,

Yours, J. C. CLEMENT, M. D.

P. S. So unqualified and numerous are the testimonials in favor of my Worm Destroyer that newspaper space is entirely too small to tell its merits.

It is an infallible remedy for Worms. Try it and be convinced. See my Journal for a more full description.

BULL'S

SARSAPARILLA.

St. Louis, April 30.

Dr. John Bull.—Dear Sir, knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case.

I was wounded about two years ago—was taken prisoner and confined for six months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than anything else. I wish that to be genuine. Please express me half a dozen bottles and oblige me. Please express me half a dozen bottles and oblige me.

CAPTAIN C. P. JOHNSON.

P. S. Mr. Johnson was the son of a skillful surgeon. He recommended to his friends, and for many years used my Sarsaparilla with perfect success. In Scrofula and Fever-sore Mrs. Johnson states that the cure effected were almost miraculous. Read my Journal for extended information and advice in your case. My Journal contains certificates of eminent persons, ministers and medical men—men who are known here in this community for integrity and veracity. I have recently received a most remarkable certificate from an eminent gentleman of Louisville.

COMPOUND FLUID

Extrat. Catwaba

GRAPE PILLS.

Component Parts—Fluid Extract Rhubarb and Fluid

Extrat. Catwaba Grape Juice.

FOR LIVER COMPLAINTS, JAUNDICE, BILIOUS AFFECTION, SICK OR NERVOUS HEADACHE, COSTIVENESS, ETC. PURELY VEGETABLE, CONTAINING NO MERCURY, MINERALS OR DELETERIOUS DRUGS.

H

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, ipecacua, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and debilitated, whether arising from indigestion or disease. H. T. Helmbold's Compound Fluid Extrat. Catwaba Grape Pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. THE CATWABA GRAPE PILLS, being pleasant in taste and odor, do not necessitate their being sugar coated. Price fifty cents per box.

HENRY T. HELMBOLD'S

HIGHLY CONCENTRATED COMPOUND

FLUID EXTRACT SARSAPARILLA

Will radically exterminate from the system Scrofula, Syphilis, Fever Sores, Etc., Sore Eyes, Sore Legs, Sore Mouth, Sore Head, Rheumatism, Skin Diseases, Rheum, Catarrhs, Runnings from the Ear, White Swellings, Tumors, Cancerous Affections, Nodes, Itchiness, Glandular Swellings, Nerve Pains, Dropsy, Drops, Drops of all kinds, Chronic Rheumatism, Dropsy, and all diseases that have been established in the system for years.

Being prepared expressly for the above complaints, its blood-purifying properties are greater than any other preparation of Sarsaparilla. It gives the complexion a clear and healthy color and restores the patient to a state of health and purity. For purifying the blood, removing all chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of skin diseases, it is the best of all. It cures the Throat and Legs, Blotches, Pimples on the Face, Eruptions, and all scaly eruptions of the skin, and beautifies the complexion.

CONCENTRATED

FLUID EXTRACT BUCHU,

THE GREAT DIURETIC.

has cured every case of Diabetes in which it has been given. Irritation of the Neck of the Bladder and inflammation of the Kidneys, secretion of the Kidneys and Bladder, retention of Urine, diseases of prostate gland, stone in the bladder, catarrhs, gravel, bright's disease, and numerous other diseases, and for established and delicate constitutions of both sexes, attended with the following symptoms: Indisposition to exertion, loss of power, loss of memory, difficulty of breathing, weak nerves, trembling, hereditary disease, weakness, dimness of vision, pain in the back, hot hands, flushing of the face, loss of appetite, and all diseases of the urinary system, etc.

Used by persons from the ages of eighteen to twenty-five, and from thirty-five to fifty-five, or in the decline of life, after confinement or labor pains; bed-wetting in children.

Helmbold's Extrat. Buchu is Diuretic and Blood-purifying, and cures all diseases arising from habits of dissipation, irregularity, indolence or suppression of the urinary system, and gives strength to Urine, thereby removing obstructions, preventing and curing Strictures of the Urethra, Alleviating Pains and Inflammation, and is a frequent cause of the cure of the above diseases, and expelling all poisonous matter.

In many affections peculiar to Ladies, the Extrat. Buchu is unequalled by any other remedy—as in chlorosis or retention, irregularity, pallidness or suppression of customary evacuations, ulcerated or scirrhous state of the uterus, leucorrhoea or whites, sterility, and for all complaints incident to the sex, whether arising from indolence or habits of dissipation. It is prescribed extensively by the most eminent physicians and midwives for catarrhs and delicate constitutions, of both sexes and all ages (attended with any of the above diseases or symptoms).
